

PRESS RELEASE

ThomasLloyd Global Asset Management becomes BVI member

Frankfurt, Zurich, 3 September 2018.

The ThomasLloyd Group announced today that its two subsidiaries ThomasLloyd Global Asset Management GmbH and ThomasLloyd Global Asset Management (Schweiz) AG have been members of the German Investment Funds Association BVI since 1 September. With the subsidiaries' being members in the association, the investment firm is hoping to share its experience in real asset and sustainable investment solutions and actively contribute to future developments in the fund industry.

“Increasing regulation in the fund industry throughout Europe means that all firms are constantly facing new challenges. A strong, competent voice like the BVI is needed for politics, regulators, media and the general public so that we can have an active role in the development of the overall framework while responding to these challenges. We look forward to using our expertise to support the association’s goals and initiatives”, said Michael Sieg, Chairman and Group CEO of the ThomasLloyd Group.

About BVI

BVI represents the interests of the German fund industry at national and international level. The association promotes sensible regulation of the fund business as well as fair competition vis-à-vis policy makers and regulators. Fund companies act as trustees in the sole interest of the investor and are subject to strict regulation. Funds match funding investors and the capital demands of companies and governments, thus fulfilling an important macro-economic function. BVI's 106 members manage assets of more than 3 trillion euros for private investors, insurance companies, pension and retirement schemes, banks, churches and foundations.
